

Green initiatives
 you can
 implement now
 will put **money** to
 your bottom line.

Green Business Task Force

Crystal Lake Chamber of Commerce
 427 W. Virginia Street
 Crystal Lake, IL 60014

Process:

Green Business Task Force reaches out to businesses and organizations to create awareness of current environmental issues, suggest possible solutions, and encourage and enable businesses and organizations to institute sustainable changes.

Various speakers are featured at GBTF meetings to expand our knowledge of environmental issues.

Green Business Task Force operates under the auspices of the Crystal Lake Chamber. Our members enrich the group by bringing together a broad range of expertise and knowledge.

Group members ...

- Are members of The Crystal Lake Chamber of Commerce
- Attend meetings regularly
- Help educate the group in your area of expertise
- Actively participate in groups and subcommittees
- Invite and bring potential new members to the group

MISSION

To inspire and help businesses, civic, and government entities become environmentally aware of sustainable practices and money saving technologies while positively impacting our environment.

GOALS

To create and present green business tools and opportunities to educate businesses

To encourage green practices while enhancing chamber membership

To support environmentally sustainable building expansions and developments

Benefits include:

- Strengthening the bottom line through operating efficiencies
- Improving employee morale and creating an overall healthy workplace
- Demonstrating community good will
- Creating a marketing edge

GREEN BUSINESS IS GOOD BUSINESS

Join this group of Chamber Members dedicated to educating and helping businesses actively engage in sustainable greening programs and initiatives.
